Fantasy In Frost

"Fantasy In Frost," the theme of the annual Future Homemakers of America Snowball held in the gym, was carried out in the colors of midnight blue, silver and light blue. A large shuttered window covered with frost set the atmosphere for the coronation.

Kathy Wagner was crowned Queen by last year's queen, Jane Callahan. Her attendants were Connie Gores and Barbara Christensen.

Fifty-six couples attended and danced to the music of "The Suite Feeling," a band from Minot.

Homecoming

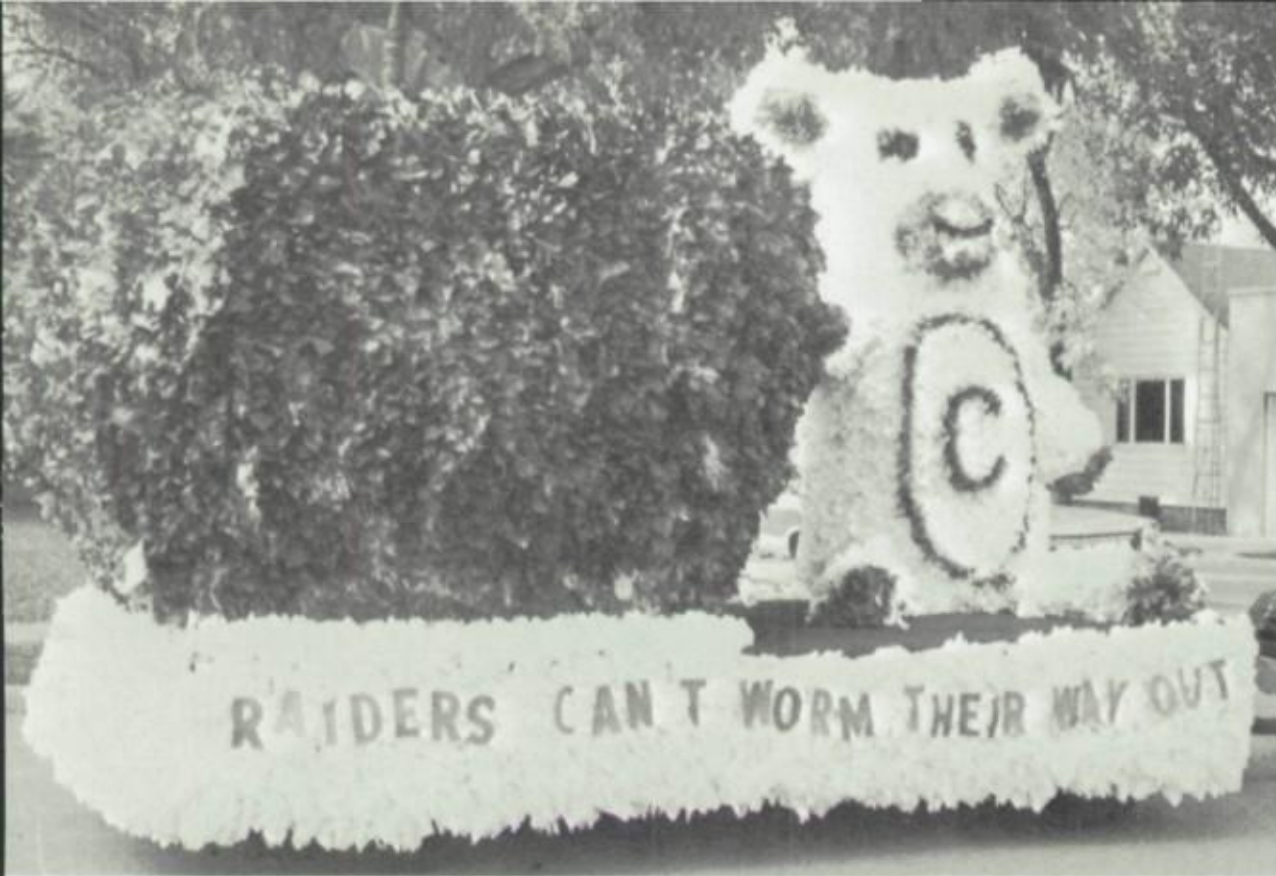

Friday night, October 2, Homecoming festivities began with the presentation of skits by grades 9-12. The Seniors captured first place with their skit entitled "Peanuts."

Marla Wieker was crowned Homecoming Queen with Sheila Fosaaen and Sandi Hartlas her attendants. The royalty was presented to the spectators at half-time of the game Saturday night.

Saturday afternoon, the Seniors again earned a "first" when they took the top place with their float "Raiders Can't Worm Their Way Out" during the parade.

That night, the Cubs ran away with the game and scored a 60-0 victory over the Lakota Raiders.

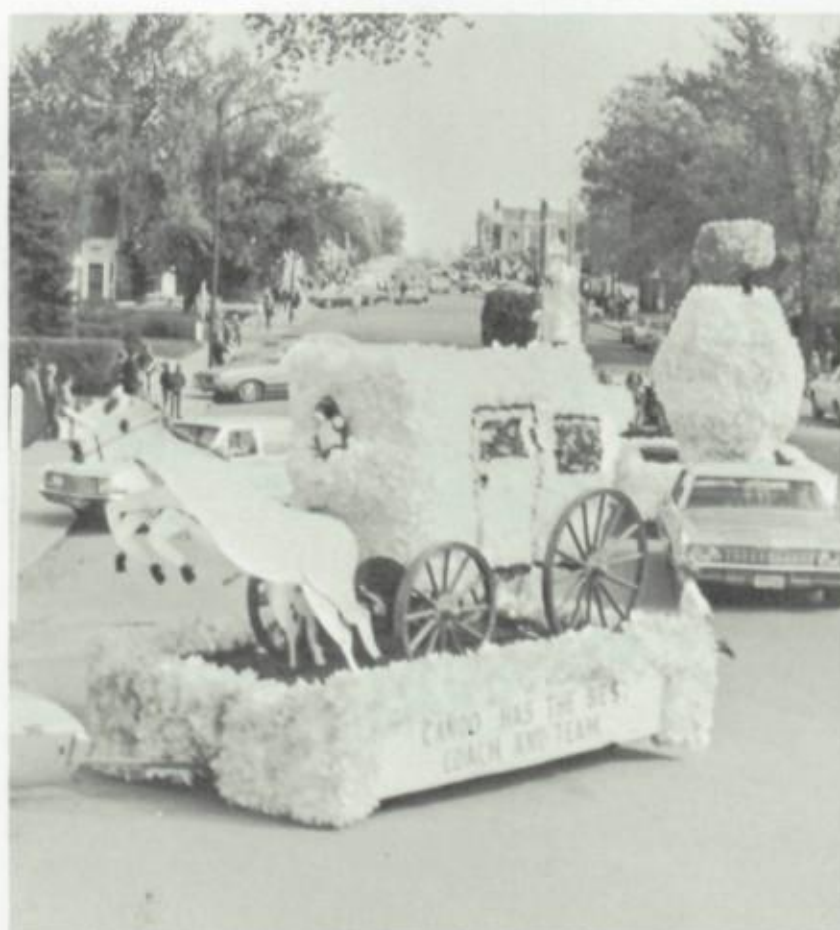

LEFT: "Raiders Can't Worm Their Way Out" acquired top honors for the Seniors.

MIDDLE: The Freshmen bagged second place with "Pullin' for the Cubs."

BOTTOM LEFT: The Juniors squeezed in third place with their entry, "Top the Raiders."

BOTTOM RIGHT: The CHS band marched to the tune of "Military Escort."

Moments Of Competition

The Cubs, holders of the longest winning streak in Class B football, fell to defeat after 30 wins. They had not been beaten since 1966 and Coach Feeney views the next two years as "building years."

Four gridiron stars were named to the Lake-to-Border All Conference team. They were Rocky Hilts, Stanley Halverson, Jim Christensen, and Bruce Belzer. Honorable Mention awards were given to Randy Newman, Danny Newman, and Hal Hilts.

Moments Of Action

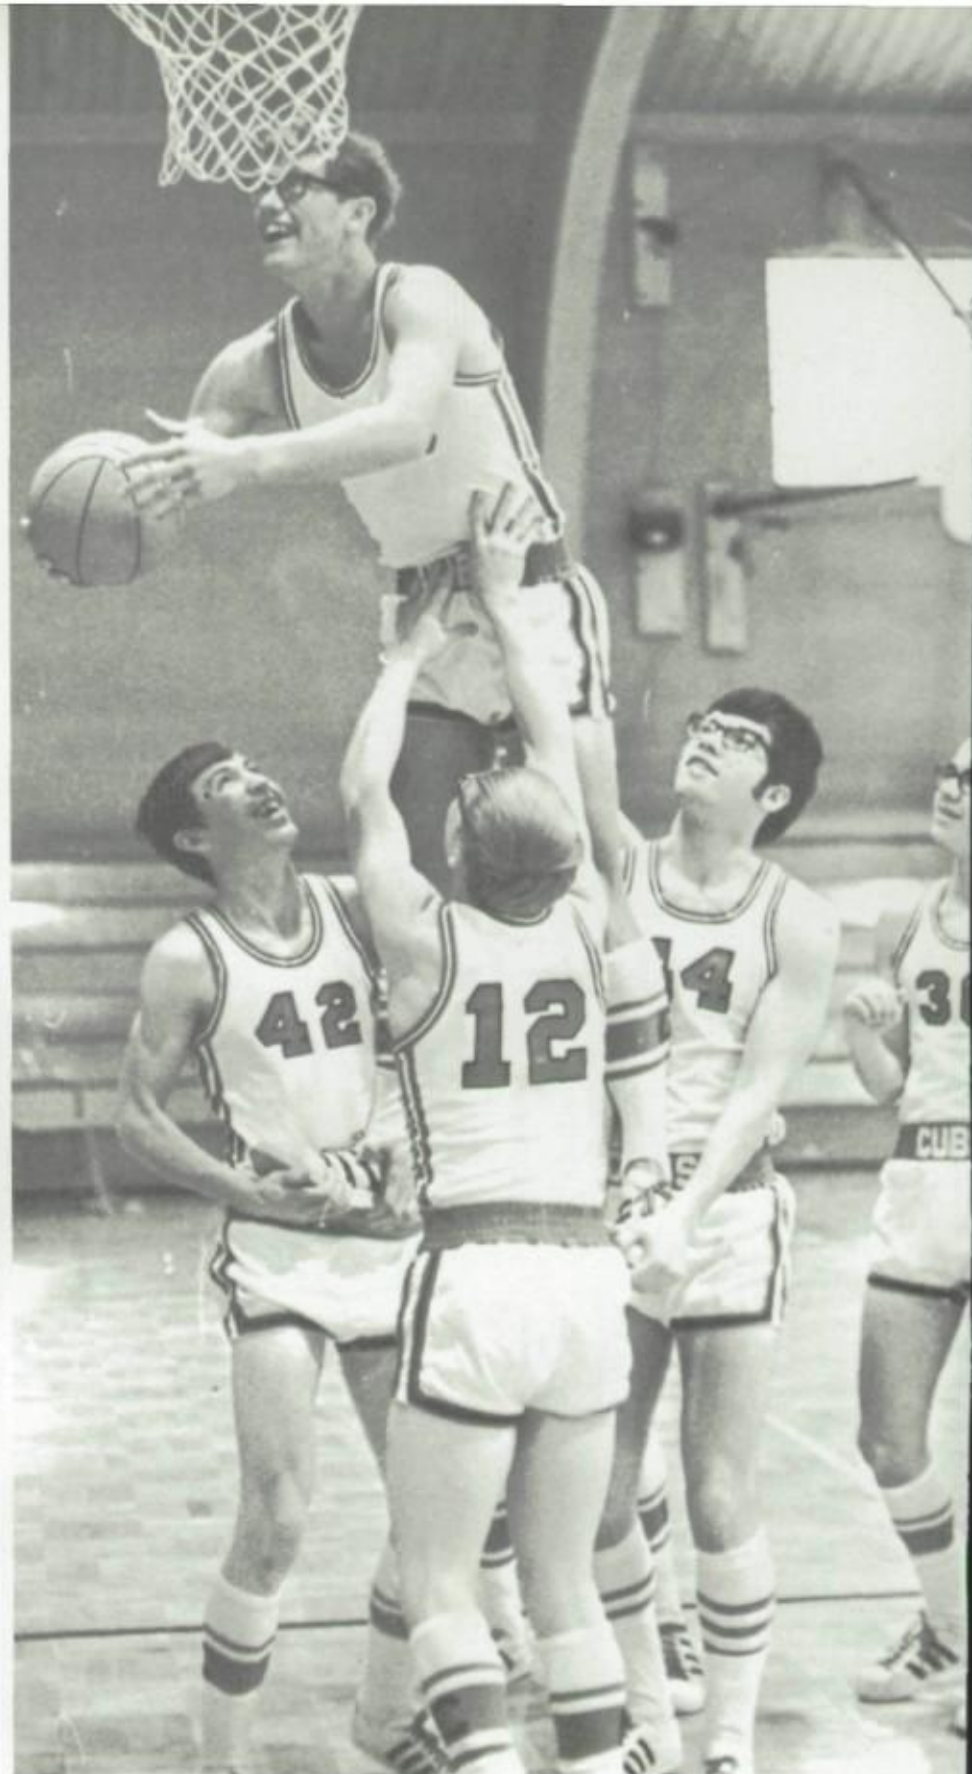

This is our quest, to prove that we're best--- Conquest. The Cubs faced many teams in their quest for victory. There were moments of victory and defeat, of joy and sadness. The moments spent watching our team capture second place in the Twin County Tournament or defeating the undefeatable team will long be remembered.

Moments Of Participation

Extra-Curricular activities for girls were increased with the formation of the Girls Athletic Association. Under the leadership of President Christie Holien and advisor Miss Toni Jacobson, the girls participated in many sports activities.

The half-time entertainment for many home games and the Twin-County Tournament was provided by eighteen lively girls, doing their steps to music. The pom pom girls with captains, Debbie Baker and Kim Koester, were organized and directed by Mrs. Marilyn Gronhovd and Miss Toni Jacobson.

The Fellowship of Christian Athletes had a very active year. Their major project was a basketball game between the Minnesota Vikings and the Cando All-Stars. The evening proved to be interesting and entertaining for all. Mr. Ron Teubner and Mr. Bob Feeney are advisers for the group.

The eighty members of the F. H. A. worked hard to make the organization and its projects a success. Two members were elected to higher offices at the District Rally. Rachel Nelson was elected to the office of District President and Sandy Callahan was elected to the office of First State Vice-President. The adviser for the group is Mrs. Gene Nicholas.

Moments Of Communication

Long hours of frustration...solitary thinking...pressures of upcoming deadlines...These are the ingredients for CHS publications.

The CUB REPORTER, edited by Nanci Dix, kept CHS informed of events every six weeks. For the Annual Staff it was moments of binding memories of one year into a 68 page book, under the editorship of Joyce Latusus.

Both publications were members of the Northern Interscholastic Press Association.

Moments Of Determination

MANOVA

Moments Of Direction

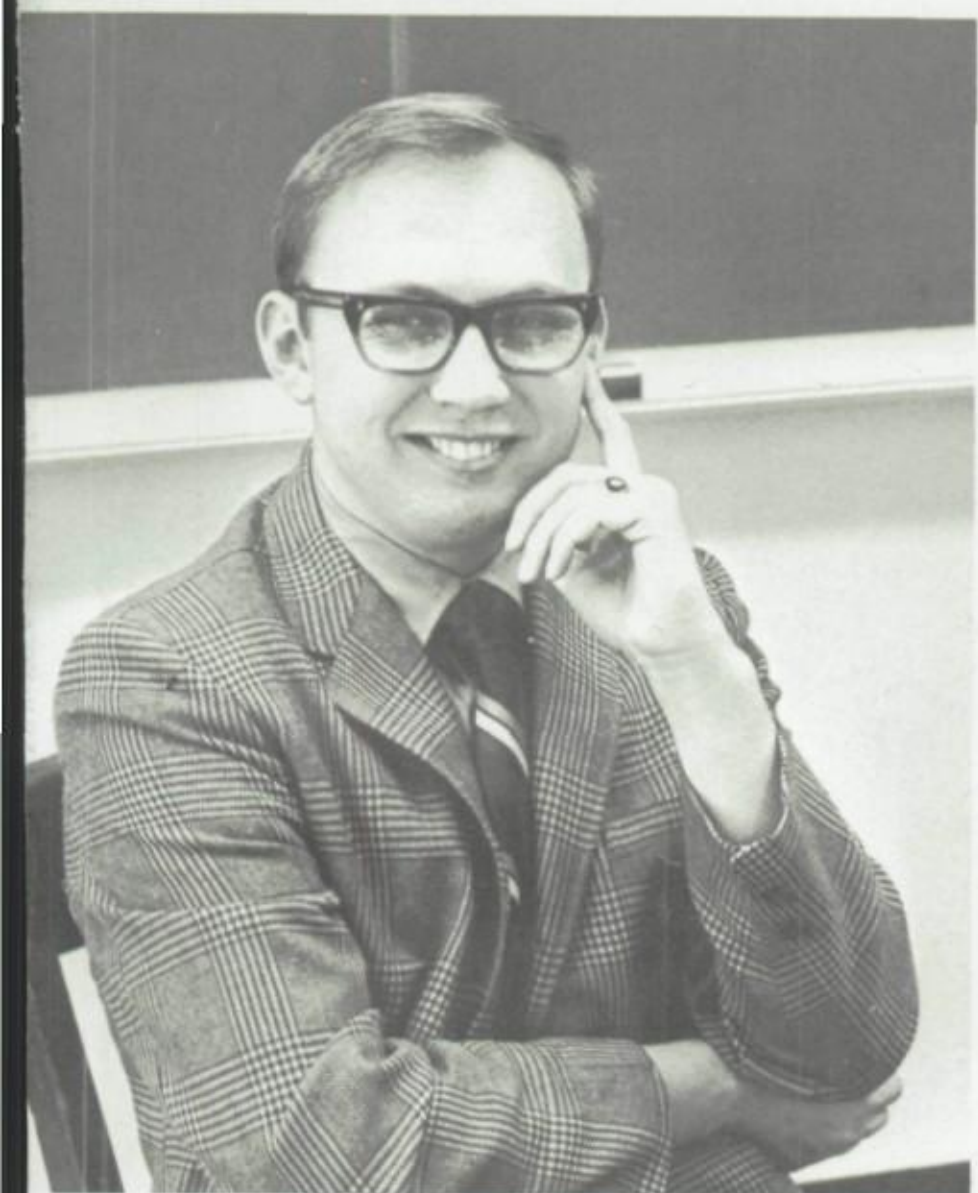

Moments of making ends meet... deciding the present and future of CHS... making vital decisions as to administration, policies and rules of the school... These were the duties of Superintendent D. Allen Halley and the School Board.

After the defeat of the mill levy last year many cutbacks had to be made. The changes were made in the areas of curriculum, teachers and transportation. In September, the patrons passed the mill levy by a one vote margin.

Moments of total exhaustion, frustrating agony, and at times complete mental block have been a part of the lives of those who were willing to sacrifice food, sleep and the comforts of home to prepare a year of memories for CHS students.

This year will undoubtedly be an unforgettable one for those who helped in the production of the 1971 Cub.

After successfully completing a publication, there are many mixed feelings, but particularly a mingling of joy with a sense of accomplishment.

We of the CUB staff wish to express our deepest thanks and appreciation to all who have made this book possible... our patrons; our photographer, Jim Erickson; our yearbook representatives, Jerry Schmidt and Arland Waters; our superintendent, D. Allen Halley; and all who have helped us compile this volume of CHS history.
